A Brief History

In March 1897 Edgar Farman, a London solicitor and a Member of the Kennel Club, sent a letter to Bloodhound breeders, owners and exhibitors, and to the Press, headed 'Proposed Association of Bloodhound Breeders'. In his letter Mr Farman referred to the initiative of Mr Mark Beaufoy 11 years earlier, which did not attract sufficient support, and set out a list of objectives that such an Association would have. He advised that a meeting had been arranged for 6.30 p.m. on the 12th April; 1897 at the Kennel Club, and added that he hoped interested parties would attend and support the proposal.

At the meeting between 20 and 30 owners said they would join, and elected Mr Edwin Brough, a well known authority on Bloodhounds, to be the new Association's first Chairman, and Mr Farman to be Secretary.

By the end of 1898 the Association was well established with 42 Members, having increased the support for Shows and made a successful and well publicised debut into Field Trials. Mr A Croxton-Smith had joined the Executive to be Treasurer.

The first Field Trials were held in October 1898 but support for the Trials was slow to build up as most bloodhound owners were more interested in showing. However, entries gradually improved and the first Kennel Club Field Trial Championship Certificate was awarded in 1900. In 1909 the Association introduced the award of Certificates, which stated the time and distance of a Trial, for presentation to the owner of a bloodhound performing meritorious work in 'hunting the clean boot'. By 1911 Trials were receiving very much better support and in 1912 a six hour cold Trial attracted an entry of 6 hounds.

During the first World War the breed suffered a considerable setback and was slow to recover. The activities of the Association were halted entirely only in 1918 and 1919, but it was not until 1922 that Field Trials could be re-started. At this time, in contrast to earlier years, the enthusiasm of the Members was mainly for Field Trials, while entries for Shows were disappointing.

The second World War was very much more serious, not just for the Association, but for the breed generally, and it was mainly the determined efforts of the Chairman, Mr Wilfred Unwin, together with the Secretary and Treasurer, Mr FC Harrison, and a handful of other Members, that ensured continuity of the breed and the Association.

Field Trials were started again in 1950 and then as Members developed an interest in dual activities, the Association organised it's first Open Show in 1979, and first Championship Show in 1982.

The number of Bloodhounds in the country has never been very large and Membership of the Association did not exceed 70 until the mid 1950's. The number of Members then increased steadily and the present Membership is about 200.

The Association and its Affairs

Organisation

The management of the Association is vested in the Committee, with administration being carried out by the permanent officials, who are the Hon. Secretary and the Hon. Treasurer. Certain of the Committee Members are responsible for organising and running the Shows, and the Bloodhound Trials, and for the magazine, sales of insignia and other items, and Cup and Trophy records.

Magazine

A magazine is issued twice a year, Summer and Winter, and sent free of charge to all Members. Every effort is made to put out an informative, interesting, and readable magazine but it is also the main method of

communication between the Executive and the Membership and so contains official notices, and Bloodhound Trials and Show results.

Sales

There are always items of insignia, training books and other publications, and various goods for sale. A full list of these is given in the magazine and any item can be obtained from the Committee member responsible for Sales, or at most Shows.

Training

Training Days are held in various parts of the country at suitable times of the year so that Members can obtain practice and advice in hunting their hounds.

To qualify for entry into the Novice Stake at a Championship Bloodhound Trial, hounds must have been awarded a Working Permit which can be tried for at an official Training Day or by private arrangement with the Bloodhound Trial Secretary.

Welfare Fund

The Association administers a Fund set up to benefit Bloodhounds who are in need.

Voluntary contributions from Members, and cash received from fund raising activities, maintain the Fund which is available for rescue, veterinary fees, accommodation and food. The very high standard of responsibility of Members, particularly the breeders, ensures that the Fund is called upon only when really necessary.

Judges Lists

Lists of Show Judges and Bloodhound Trials Judges are maintained during the year. At the end of every year these Lists fall in their entirety and are replaced by new lists compiled by secret ballot of the Committee.

Members are invited, through the magazine, to submit names for inclusion on the ballot papers.

The Show Judges List is sent to the Secretaries of Championship Shows which offer Kennel Club Challenge Certificates for the Breed.

Promotions

Shows

The Association organises and runs its own Open Show and Championship Show each year, usually in June and September respectively. Kennel Club Challenge Certificates are on offer at the Championship Show.

There are several other major Championship Shows throughout the country at which Kennel Club Challenge Certificates are also on offer.

Bloodhound Trials

Every year the Association holds two, four day, Championship Bloodhound Trials, one in the Spring and the other in the Autumn. There are also three Advanced Limited Stakes which are run during the Winter months. The locations for all these activities vary considerably and may be anywhere in Great Britain depending on where land can be obtained at the time. There is also a Veteran Stake for hounds over seven years of age who have retired from Bloodhound Trials.

At the Championship Bloodhound Trials there are Novice, Junior, Intermediate and Senior Open Stakes. A Kennel Club Bloodhound Trials Certificate is on offer for the winner of the Senior (Open) Stake.

Brough Cup:- Hounds obtaining 1st or 2nd place in the Senior Stake at the Association's Spring and Autumn Trials may compete for the Brough Cup on lines 6 hours cold.

Bracken Trophy:- The winner of the Brough Cup and hounds awarded a Certificate of Merit in that stake, along with Working Trial Champions by invitation, may compete for the Bracken Trophy on lines 12 hours cold.

Marlwood Beaker:- The winner of the Brough Cup, the winner of the Bracken Trophy and hounds awarded a Certificate of Merit in that stake, along with Working Trial Champions by invitation, may compete for the Marlwood Beaker on lines 24 hours cold.

The Kennel Club Standard of the Breed

A Breed Standard is the guideline which describes the ideal characteristics, temperament and appearance of a breed and ensures that the breed is fit for function. Absolute soundness is essential. Breeders and judges should at

all times be careful to avoid obvious conditions or exaggerations which would be detrimental in any way to the health, welfare or soundness of this breed. From time to time certain conditions or exaggerations may be considered to have the potential to affect dogs in some breeds adversely, and judges and breeders are requested to refer to the Kennel Club website for details of any such current issues. If a feature or quality is desirable it should only be present in the right measure.
